DEVIL'S GULCH VINEYARD

MARIN COUNTY

VINTAGE 2022

IN THE VINEYARD

Devil's Gulch, located in western Marin County, got its name due to its treacherous terrain. The vineyard, planted in 1980, is made up of steep terraces and shallow soils and when combined with the harsh climate of the Marin coast, results in small yields and berries that have a distinct expression.

CONVERSATIONS WITH THE WINEMAKER

The grapes were hand-harvested on October 20, 2022 and fermented in open-top vats with hand punchdowns occurring twice a day, after which the must is basket-pressed and barrel-aged 16 months in French oak, 80% new.

TASTING NOTES

The mesmerizing Devil's Gulch Pinot Noir opens with dynamic aromas of enticing spice, elegantly woven with hints of succulent wild berries and fragrant nutmeg. The palate is treated to a rich tapestry of flavors, complemented by a whisper of aromatic bay leaf. This remarkable wine showcases a refined depth that captivates the senses, while the savory finish unfolds with a lasting and graceful resonance.
