#### 2021 VINTAGE

After a few challenging years, 2021 was remarkably uneventful and void of long, lingering heatwaves, allowing the grapes to ripen at their regular rate. While the yield was slightly lighter to average due to a variety of water conservation efforts, the 2021 vintage is showing exceptional flavors – ripe, intense, and fruit forward – with a much better balance than in past years.

#### WINEMAKER'S NOTES

Harvested from carefully selected vineyard sites with close proximity to Hwy 1, known for its cooler, fog-influence mornings and late evenings, this is an expressive wine that highlights brilliant fruit flavors. Petite Sirah is a full bodied, deeply colored black grape variety with a chewy and intense character. Petit Verdot is a red grape variety widely grown to bring unique and herbal flavors to the palate. These two grapes, combined with Malbec and Teroldego, and a touch of Cabernet Sauvignon, known for its rich tannin structure, make this a beautiful aromatic full-bodied red wine.

#### TASTING NOTES

Rich aromas of red Bing cherry, blueberry and spice spring from the glass with nuances of coffee and caramel. This full-bodied wine showcases a palate full of round juicy plums and black cherry with hints of toffee. Plush tannins and well-balanced acidity make this wine undeniably robust.

#### TECHNICAL NOTES

APPELLATION: California

ALCOHOL: 13%

PH: 3.48

TA: 5.9 g/L

VARIETY:

Petite Sirah 65%, Petit Verdot 16%,  
Malbec 11%, Teroldego 6%,  
Cabernet Sauvignon 2%
