tannins and balanced acidity

LVE

JOHN LEGEND SIGNATURE SERIES BY LVE

LVE, Legend Vineyard Exclusive was a dream long in the making. As with his music, John Legend searched for the right collaborator, a vintner whose pursuit of the perfect blend and standards of excellence equaled his own. With roots deep in the Napa Valley and France, as well as award-winning wines known for beautiful balance, finesse and power, Jean-Charles Boisset was the perfect match.

John Legend's new Signature Series hits all the right notes. Like the man himself, the wines are a harmony of style, finesse, and passion.

Why Cabernet? Cabernet Sauvignon was John's first love in wine. A good Cabernet has the right amount of body, elegance and balance. The origins of LVE is in Napa Valley which is known for its amazing Cabernet Sauvignon.
