

CABERNET SAUVIGNON

MENDOCINO

VINTAGE 2022

This Mendocino appellated wine reflects our commitment to showcasing one of the leading wine growing regions for organically produced wine grapes.

IN THE VINEYARD

This wine is made from carefully selected Cabernet Sauvignon grapes grown in prestigious, organically farmed vineyards across Mendocino County. Select lots of Cabernet Sauvignon were blended to develop complexity before being aged in stainless steel tanks with primarily French Oak staves.

2022 VINTAGE

The 2022 growing season was a successful year for Mendocino County organic wine grape production. The 2022 crop was projected to have a light yield due to drought, however that was not the case. The average rainfall nearly doubled leading to a more sustainable harvest. Bud break and flowering occurred at the normal time, and a cool spring with milder-than-normal temperatures boosted our expectations and we received exceptionally superior grapes in abundance.

WINEMAKER'S NOTES

Beautiful aromas of plum, blackberry, and fig with notes of dark chocolate and roasted co ee. The palate is rich and complex with boasting layers of black fruit and brown spice. The tannins are silky yet robust, making the mouthfeel structured with a favorable and smooth finish.
