## R|COLLECTION CABERNET SAUVIGNON CALIFORNIA 2023

---

### ABOUT THE VINTAGE

2023 experienced one of the longest growing seasons in a decade or more. Winter and spring rains led to healthy, saturated soils. The mild, warm summer weather supported healthy canopy growth through bloom and set. Relatively cool weather throughout the growing season in tandem with an abundance of sunshine allowed grape skins to ripen slowly. Harvest kicked off around Labor Day and wrapped up by mid-November. The long harvest season, which provided extended hang time to develop flavors leading to an exceptional, high-quality, memorable vintage.

### CONVERSATIONS WITH THE WINEMAKER

The R|Collection Cabernet Sauvignon is sourced from the finest vineyards throughout California, with each area adding a unique layer into the overall taste profile. Minimally intrusive winemaking techniques allow the true California terroir to shine through in every glass poured and bottle enjoyed.

### WINE PROFILE

In the glass, the R|Collection Cabernet Sauvignon presents a deep garnet color, initially showcasing lively berry aromas and a tempting fragrance reminiscent of ripe blackberry pie with a touch of clove. This medium-bodied wine offers flavors of baked plum and elderberry on the palate, complemented by smooth tannins that lead into a long, gratifying finish.
